## Adventure Summary

The Maze of the Open Road is not what it once was, but hopefully the efforts of the Pathfinder Society will restore it to its former glory. You were pivotal in those efforts, thwarting the deleterious efforts of monitors, fiends, and planar distortions to acquire vital magical samples that will be invaluable in the quest to reclaim the maze.

## Boons

**Maze Walker (Advanced):** You have survived exposure to numerous planar forces that would have warped or obliterated a lesser being. As long as you are at least 7th level and a master in Survival, you can slot this boon to gain the benefits of the Planar Survival skill feat.
