Adventure Summary

Working on behalf of both the unscrupulous Guaril Karela and the noble Valais Durant was unusual to say the least, but at least your work has benefited a few of the unfortunate souls suffering in Belimarius's cruel grasp. The Runelord of Envy may have been beyond you this time around, but perhaps you'll find a reason to return to Xin-Edasseril in the future.

Boons

☐ ☐ **Valais's Assurance** (General, Limited-Use) Valais Durant is the leader of the Radiant Oath, in no small part because of her kindness and willingness to share her power with those in need. You may check a box next to this boon and spend an action to use the champion focus spell *lay on hands*, heightened appropriately for your level. This does not cost a focus point.

Items

+1 *longsword* (level 2; 35 gp)
