### Adventure Summary

At the farm of Druman alpaca breeder Wilhuff Harjhack, you accepted a mission to track down a predatory creature that had been sneaking into Wilhuff's fields at night and draining the blood from his prized animals. Farmer Wilhuff feared that if something wasn't done, his prized baccalia, the golden-fleeced Majesty, would inevitably fall prey to the monster. Determined to stop such a travesty and loss to Golarion's beauty from occurring, you tracked the monster back to its lair, finding a deadly chupacabra!
